“ *Niki and family,*

I had the pleasure of meeting Lila many years ago and she was the sweetest person! She invited us to her house for a spaghetti dinner...unfortunately we never made it but I am sure it would have been delicious! I know she will gratefully missed and we will keep you all in our thoughts and prayers. Sincerely, Barb Cheek and family.

I'm so sorry to hear of Lila's passing. I remember working with John and Lila at the Oasis Party Store and had many good times. My prayers are with you all during this time of loss....but remember that she is now in a much better place.
