“ Linda was a classmate and friend at Lakeshore and she was always laughing.
We would start giggling at so many things and then we could not stop. She was a

“ I have a lot of wonderful memories of Linda when we were seniors. I lived with her and her aunt & uncle after returning from DC until I found an apartment of my own. I am so sorry I didn't get to tell her how many times I have thought of her and wished I had known how to get in touch with her. God bless all of her friends & family as they celebrate her life. Wish I could be there but live in Tn. taking care of invalid mother.
