“ I am so very sad to learn of Lisa’s passing and very shocked. I was not in constant contact with her in our adult years but we got the opportunity to talk over the phone about a year ago. Lisa was like a sister to me for so many years during my pre teen and teen years. We shared so much fun and memories when we worked at Beachside and Club 63. She spent countless holidays with our family and it was great having her join us on our family trips to Silver Lake. She will forever hold a golden place in my heart. I love her very much! So many condolences to her whole family!!
