“ *Don and family:
I have wonderful memories of your wife (mom). She was a outspoken funny woman. I remember many adventures that our families took with the kids and campers in tow.*

I still have many of the pictures of our trips to Florida, particularly the one where we camped in the middle of an orange orchard. She was one of the first strong woman that helped to shape my life and for that I will always be grateful. Stay strong, she would expect no less.
