“ I have been friends of the Grieser family since 1956. I always knew Lucille to be a beautiful, kind lady with a little bit of a sense of humor. I was honored to be asked to take her to an eye appointment a couple of years ago. She wanted me to stay with her during the entire visit, as we went from room to room. After the appointment, she wanted to know if I would take all the back roads home so she could enjoy the scenery. Of course I did that and enjoyed it with her. We got an ice cream cone and drove back home...we had a great day!
