“ My sincere condolences to the family. I have a lot of great memories growing up next door to the Umphreys. Playing with Cherie & Jeff. (Well okay, playing with Cherie and aggravating Jeff.) Playing on the porch and climbing the tree. Pretending we were Gilligan's Island and arguing over who got to be Ginger. Funny, Cherie, how we both grew up to be the Mary Ann type and discovering that is the better one to be! The Umphreys were almost like another set of grandparents for me. Grandma U always made me feel welcome in her home. It was evident that she loved her family very much. She will always have a place in my heart and will be greatly missed!
