“ *My first memories are of building a snowman at my grandmother's house. I remember eating blueberry pancakes that granddad cooked with buttered rice. I remember the shovels and jackets grandmother bought for me and my brother because there was a blizzard and we were from Los Angeles, California and didn't know anything about snow. That was November 8th-10th, 1982. I was 5 years old. I love my grandmother and will miss her greatly.*

My grandmother is the soul of our family I remember her being strong,firm,loving and nurturing. I too remember those days as a Los Angeles kid with my brother Dennis in that blizzard. My grandmother always believed in me and supported me regardless of what I was going through. I will miss her always respect her and cherish many memories.
