“ I went to High School with Margaret...I always liked her and her bubbly personality...her smile was beautiful and endearing...I hadn't seen her but we reconnected on Facebook. I was so sad to hear today that she had passed away...she was way too young.

I knew a little girl from Benton Harbor who had Margaret as a teacher and liked her so much...she said she was her favorite teacher. I am sure she was excellent and by the comments on facebook...she was very much loved.
