Tribute Wall

“ Her dedication to being a speech teacher was memories for me back in middle school and high school, as time went by when I moved out of Coloma, I'd never got to see her again, but now things have changed since she's out of the picture, oh dear Miss Ludwig, the way you've taking me to speech class because of my autism sure puts a smile on my face, and even doing jingo on simple occasions such as Christmas, Easter, and even before summer break, you will forever be in my memories and flashbacks from how I was attending the Coloma community School district.
