“*Mrs. Weber was my fourth grade teacher at Washington Elementary. I am who I am because of wonderful educators like Marnie. I was lucky enough to enjoy her company as an adult after I became a teacher at Washington. I will never forget the life lessons she taught me as a student and a colleague. She will truly be missed, but lives on in all of us who were lucky enough to share time with her. God bless you all. Angie Arent-Seabury (I really wanted a mustang like hers when I was 9)*

“*As one of many kids that grew up in the Eaman school district, I had such a great respect for Mr and Mrs Weber. Actually, I have great respect for all the parent of Eaman school District. The last time I talked to Mrs. Weber, I was doing some research looking for information on Eaman School alumni. Mrs. Weber answered the phone and I asked to talk to Cindy and she told me I wasn't a friend of Cindy and she hung up on me. Cindy called back latter and as we talked I told her that I have never been hung up on by such a wonderful lady. Tish and Cindy I am sorry for your loss. God Bless. Jerry Veverka*
