“ Hope this finds you all doing well.

I have to say I have some very fond memories of Aunt Peg (she loved to laugh and give big hugs) and Uncle Leo was always happy when around us. My Grandmother Louise was a very fine person, they all came from good family. I know Louise loved having us all together at her place out on Pipestone. I remember you Janet. I am very sorry for your loss and this late acknowledgement, I seldom get on internet looking for folks. I have tried to find Bob Gilson, maybe you know some news.

I know my mom spoke to Aunt Peg when my dad, Doug, passed away in Feb of 2009. Mom mentioned how great she sounded. Phillip also passed away last year, so I guess those branches are now forever in our memories. We shared some fine folks.

If this finds you and you would like to reach out, my email is brenda.k.goddard@gmail.com
