“ *This was a lady who had a full, vibrant taste for life. Every time I saw her she had a smile on her face. She was also brave enough to explore all her dreams and adventures, like sky diving no matter what her age. She had a long life, and she lived it to the fullest!! She will be missed. My prayers to her whole family. Melanie Cowgill*

My aunt Marie was my mom, Esther Radde's sister. They were the last 2 of 12 children of my grandparents. Aunt Marie always had great stories to tell of the family and I enjoyed listening. Every August I stopped to visit her during the magic convention I attended in Colon, Michigan. This picture was taken August of 2010. She always looked great. I will miss those visits and remember them, especially in August when I am at the convention.

I would golf at Island Hills with 3 of my magic buddies during the conventions and she would always drive out on the cart to meet and greet them. My friends would kid around with her I know it made her feel special.

My thoughts and prayers are with my cousins Karla, Doris and Dilys.

“ We remember a beautiful lady with a smile that could light up a room and a sense of humor that immediately put you at ease. Aunt Marie was Jim Damaske's aunt and Godmother. I married into the family 35 years ago. When we first met, I saw a woman who was full of energy, some mischief and fun! She so loved Augie and told me so. I remember thinking--this is love.

We moved back from California in 1993. Jim's mother, Mabel, had passed in 1986. He has sent Aunt Marie a Mother's Day card and called every year since--he called her God Mommy. She filled a void in his life when he needed it most.

On her 90th Birthday celebration at the D.A.N.K. she truly shone! She out-danced everyone! We "youngsters" were out of breath, but she "Polka'd" on ! At one point she sat next to me and said, " I keep waiting for Augie to walk up behind me and ask me to dance. I sometimes I think I see him here."

Aunt Marie doesn't have to wait any longer for they truly are dancing together once again.

We will never forget her. We will cherish her and be honored to have known her.

Marie brought sunshine to our ladies luncheon groups. She was lovely both inside and out and served as an inspiration to many ladies of Lake Templene, myself especially. Always a delight to be around, I will miss her. My family sends our sincere condolences to Marie's daughters, extended family, and Floyd.
