“ *My utmost condolences to the McGee family. Marshall and I were good friends for quite some time. We kind of lost contact over the last few years but he'll always have a special place with me. I wish I'd been closer at the end but let this be a lesson to us all. Keep your friends close at all times. You never know when they may not be there to lean on. Rest in peace my friend.*

“ *I am sorry for all of our loss. What a great friend Marshall was to all of us.
I remember the fire at their home in Benton Harbor. Marshall ran back in and saved Steve. I was so scared he was hurt.
I have a picture he sent me when he was stationed in Alaska.
Listening to music with headphones on. I have carried that picture with me for 40 years.
He was my good friend. See you on the other side my friend !!!*

“ My deepest sympathy to the McGee family. I worked with Marshall, Danny, Mary, and Harold at Industrial Rubber. A couple of years ago my bf at the time needed his pool table recovered and Steve and Roxanne were there. There was a knock at the door and there stood Marshall. I had not seen him in years but it was like we never lost touch. I have known Roxanne for many years as we go way back. Marshall was a very sweet man and will be missed by all.
