“ My Mother and I played bridge with Claudia during the time Mom lived at The Willows. I would pick Claudia up at her apartment, we would play cards, and some times run a couple of errands on the way back to her apartment. When Don retired and we moved to TX it was especially hard to leave friends -- such as Claudia. I'm thankful that we were able to visit a few times when I was back in St Joe. She was a great example to me of how to grow old graciously. I look forward to seeing her in heaven some day.

“ Our sincere sympathy to all of Claudia's family. May she rest in peace. She was a great friend, hostess, and fun guest. Enjoyed our trip to Florida together and many sight seeing trips in Michigan. She truly knew how to entertain. Feel certain she corresponded with more people than any other on her route. She knew well the secret to getting mail was to write others. Also know her prayer life was very important and you could be sure to get scolded if you didn't tell her of someone's illness so she could pray for them. Feel certain God welcomed her with open arms to her eternal home in heaven. We have requested masses at St. Joseph's Church in St. Joseph for her, Linda and Marueen.

“ *My Grandmother had a long and full life. She did so much for so many. I never knew anyone who loved life, her family, and any sort of celebration more than she. Heaven truly gained an angel*

“ *When my Grandma moved out of her room at the Willows, I wondered what type of person would move in. It didn't take long to find out. I just loved Claudia! She joined our Sunday service at the Willows, but always had to sit in "her spot" - no where else. My thoughts and prayers are with the family and with her special friend, Gretta.*

She was a true friend to our family. We were privileged to spend time with her. She understood what family meant, both her actual family and those she chose to make her family. They simply don't make them like Claudia anymore, and we will miss her a great deal. What a gem. If there's a coffee pot and people to chat with wherever she is, she'll be just fine.
