“ Condolences to the Green family. Please be assured of God's promise that one day we will see our loved ones again happy and healthy, John 5:28, 29 says, "all those in the memorial tombs will hear his voice and come out." I pray this promise along with loving memories of Nancy Ann fill your heart with comfort and peace

“ At a time like this there are no words to express the sadness of Nancy leaving her family. We, as her friends from the Love of Fitness, will miss that smile that lit up the room. I would see her walking down Red Arrow Highway and just envy her enthusiasm for health and well being. The rest of us just used exercise as a way to communicate with each other and even though Nancy took exercise seriously, she never was apart from the rest of us "slackers". The bonds of women to women were there regardless of our situations. I know she will be missed by her family but we will miss her as part of the aging crowd of women who shared so much of themselves with each other. She was not only sweet but someone we all looked up to for her zest of life. Bless her and you, her family. It truly was an honor to know such a wonderful woman.

“ My memories of Aunt Nancy was tied to family gathering in the late 60's and through out the 70's. I remember her beautiful contagious smile and how her children David and Jerris inherited that smile and sweet personality.

Thinking of you David and Jerris during this sad time of your loss.

“ My memories are of spending nights with my cousin David, and the welcoming questions of what was going on in our lives. She had to be a patient lady to put up with me. Many occasions we would get a "it's time for sleep now, boys" warning. And I know she was proud of her children. The last two times I saw her she was quick to point that out. As well as her grandchildren. We saw each other infrequently, but her smile was genuine, and I want her and her children to know I love her...Carl

“ *My heart is heavy and my tears are flowing knowing how hard this is for you. But thinking of the good times brings a smile among the tears.....like going to the Allegan Fair each year with our moms.....picking blueberries with our moms.....hanging out at each other's houses with our moms....going to church with our moms...and sharing the love of God passed on from our moms...what a legacy she has left for those that knew her.....Bo*
