“ To Nick's family, Please accept our condolences. My husband and I didn't get to know Nick, even though we are related. I only found out through a cousin that he was still in the area. I had intended to contact him regarding some pictures we have, then read of his death one week later. We have some pictures that I think MAY be of the Maluk children (Nick's dad) and parents. We live in Coloma and would be willing to share these pictures in person. If you are interested, please contact us at (269) 849-0758.

“ To Nick's family, I want to send you my deepest sympathy for the passing of Nick. He was a great friend I had the privilege to meet as I was taking my therapy for my leg. He was in the next room down from me so we were able to talk together. We joked ALOT and I will deeply miss my friend. He loved his red licorice that I bought for him. May God give you comfort at this time. Always remember that he really isn't gone as long as you remember him...Chris Nails
