“ Grew up across the street from the Pollyea family, always looked up to Randy. In later years, he would visit the neighborhood and stop to see my grandmother. She enjoyed his visits, enjoyed catching up on all his family happenings. Randy was a very gentle soul and will most definitely be missed. RIP Randy.

My Dad enjoyed hanging at the airport with him. Randy was the only one who offered to come get Dad and take him out there when his dementia got bad. He told my Dad to call anytime and he'd come get him. I am so sorry for you loss.
