“ To the family, my prayers are with you all. Shonda has made an impact in my life. We become friends during her hospital stay and I count it an honor and privilege to have been given the opportunity to be a part of her care team. What a loving, caring person. My heart is with you all. She loved you all so much. Care for one another and fine comfort in the precious memories of all she was to each of you.

“ Rashonda's family lived next door to my  
father in the 80's and we all became good  
friends. It is sad to think about all of the pain  
this family has endured. We all should cherish  
our families since we know they may easily  
be gone. Rashonda, it has been years since we saw each other but  
I have always thought of you all. May you Rest In Peace within  
God's loving hands. Blessings and calm peaceful feelings go out to  
her family from the east coast. Sandra J Ames Kaiser

“ Shonda was my best friend throughout high  
school, my most loyal and steadfast support,  
and she introduced me to my beloved  
husband. I owe her much. Although  
circumstances, miles and years separated us,  
she knew that I loved her always for the dear, kind, fun person she  
was...I love her still. Rest in peace, dear one. Rest in peace.
