“ I am sorry to hear of Roberts' passing, he fought a good fight. Robert was deffinatly one of a kind, he marched to his own beat. I enjoyed spending time with him, he used to come everyday for 2 hrs for treatment, and he always had stories to tell. I will miss him, and he will never be forgotten. My condolences to his family and caregivers, who I know he thought of as family. God bless you all.

“ Bob it was a pleasure to have met you and to care for you. There will never be any one else like you! I send my thoughts and prayers to Marge, family, and to Juno. I'll never forget Bob was the first person to teach me how to play "rummy" and he always thought I was cheating Ha! It's those type of memories that I will have with me forever of Bob! Thank you for that! I will miss you very much!

“ I send my condolences to Marge his mom and the family, it was a pleasure to have had the opportunity to care for Bob these past ten months. Knowing Bob was to understand him, and i learned that from him, and even though i never got the chance to let him know he taught me patience. Bob may be gone but never forgotten....Love always Tina Pearson.
