“ *Uncle Bob was truly a great man. He was kind, wise, had a good sense of humor, and was especially good with kids. Victor and I grew up three houses down, and we spent many hours with Bob and Grandma. It seems like it was just yesterday when he would show us his turtles, his muskrat pelts, and his advice on trout fishing. He truly loved the outdoors, and was very knowledgeable about nature. He taught us many things, for which we will always be grateful. Vic and I extend our sincere condolences to Chuck, Denise, Heather, Jeremy, and Gracie.*
