“ Howard, I will miss your mother immensely. I always enjoyed working with her through both the good times and the bad times. She was a strong yet genial person. I want to extend to you and your family my deepest sympathies.

“ Rose was always up for a good discussion. She sometimes would say phrases i had never heard. She was eager to teach me. She made me laugh and at times a made her laugh. Proud mother, grandmother, fighter and survivor. That's Rose. Lucky to have known her.

“ Rose was such a kind soul to me. I would be at her house during the holidays and no matter how busy she was with everyone she would always get me set up down stairs with the pool table and Howard's Alice Cooper records to enjoy. Rose and my Mom always enjoyed laughter together which warmed my heart. God bless you Rose and the Baum family. Thank you for the memories

“ *Rose was a great Lady. She sure knew how to handle Howard's rowdy friends.
God Bless you Rose! May you rest in peace.
