“ We were saddened to read about Sarah’s passing. May the many treasured memories sustain you during this most difficult time. We pray that you find comfort in our Creator’s promises to reunite us with our beloved ones again, in a youthful world, where the causes of pain and sorrow will be a thing of the past. How exciting it will be to see her again doing all the things she loved. Forever find comfort reading Isaiah 25:8, which promises that our tears of mourning will end when death is done away with. Our sincerest condolences to the Family.

“ I will always remember Sarah's laughter across the pool at the Y. She always made us happier. Her positive attitude during her illness and the support of her family was an inspiration to all. I will miss her.
