“ *I really enjoyed all the times I have come to visit & look at the Avon books that I would bring. Sharon's eyes would light up so much. Then she invited me to the Premiere Jewelry Party's. We would have so much fun!! I especially enjoyed the times we just sat and talked about everything and nothing. I have only known Sharon for about 2 years but I feel like it's been alot longer than that. I have grown to love the whole family especially Squirt! She is the highlight of coming over to the apartment. I am so glad I have gotten to know the whole family, I will always be here for you if you need me. I am just a phone call away. Sharon, you are standing at the Right Hand of God now. Stay smiling my friend, stay smiling! May God bless you all & help you through this rough time.*

“ *Our prayers and condolences extend out to both the Allen and Mathewson families for the loss of Sharon at such a young age. We regretfully were not able to attend the service, but wish both families the best during this difficult time.*

*I can remember when both Sharon and her younger sister, Sue, (about age 7-10) at the family get togethers on Jennings St in Benton Harbor. What a cherished and memorable time we all had. Family gatherings. Something that should be cherished for future memories. Something that is almost a loss in our standards today.*

*God bless,  
Rodney, Diana, Taylor, and Riley Mathewson.
