“ I have known Shirley my whole life. My mother Earlene Whorton worked with her for over 35 years. I can't even start to say what a wonderful women she was. One time the “old people” were playing cards while us kids were running around up stairs and bam...leave it to me to fall through her floor heat duct! I remember Shirley being so worried if I was hurt!! I am a better person for just knowing this amazing woman!! RIP miss Shirley! ❤️❤️

“ Shirley was a great co-worker and friend. She always had a smile on her face and ready for an adventure. Shirley, Laura, and I had many good times in Las Vegas and at the casino. Shirley will be missed, but she leaves many good memories.

“ *Was so sorry to hear about Shirley. She will always be in our hearts as she leaves a great legacy to her family. I always admired her for how she handled difficult situations without making them worse. She was a kind and loving person. Always asked "how are you?" and was actually concerned. Shirley will be missed by many but not forgotten. Till we meet again!*

Lord, please provide peace and comfort for her whole family. I pray if any of them are not followers of our Jesus Christ please open their hearts to allow the salvation of God to be made known to them. In Jesus' name...AMEN!
