“ Ron you and your family have my deepest condolences. I know that your mother will be missed by many. She did touch my life in many ways more than you will ever know. I am a better person for it. Sorry I cannot make the services I am out of the area. However, you all are in my thoughts and prayers. Love You!

“ I'm so sorry to hear about your mom. I remember when we were kids and would go down town and hang out at your mom's restaurant. Everyone loved her, and she will be missed very much. One day we will all be together again. God bless you and your family. Love Linda

“ So sorry to hear the passing of your mother. She was a very amazing woman and I can remember going into Melody Grill every day at lunch time and the words of wisdom your mother would share. If I didn't have the money for a meal, she covered it. She treated everyone with greatest respect and was a woman everyone loved. Heaven just got an angel who can cook up a dream. God bless you and wrap you in His arms.
