“ I haven't known Bro.Spence very long. Janice and I met him and his wife Pat at the church.Spence always had a smile and greeted you at the door of the church.He loved to sing at the start of the worship service.He singing for the LORD now,I bet he's handing bulletin for those who enter the gates of heaven and welcoming them with a BIG smile. Many wonder why God lets things like this happen to good people but God is sovereign and it was time to call Bro.Spence home. God's Spirit will comfort Pat and the rest of the family.As a child of God we should be happy that Spence is with the LORD. No more pain or suffering and Spence will have a new body. To Pat we only say and she knows that the LORD will take care of your every need.
