“ We were both so sad to hear of Steve's passing, John used to play softball with him many years ago. We remember a canoing trip down the St. Joe River with a bunch of the team and Steve catching deerflies and eating them! He was always fun. Our sincere sympathy to his family. John & Marge Yetzke

I worked with at Whirlpool. He was fun to work with, an independent thinker. We often had great debates. The last time I spoke with him we discussed our Vietnam experiences. He will be missed. Welcome home my friend.

*Betsy, Sue and families. my condolences to you. Steve was one of a kind. The last time I saw him at Hardings he just wanted to feel better, of course he said it in his own special way. I am sure he is now playing cards and bowling with the family and friends . Hopefully he will tell Karen Hi for me.*

*Spent many fun times with Steven and all the Wilkens back in the day. Can't really make sense of someone who survived Viet Nam but then dies so young. The last year they had a beer tent during Glad Peach Festival, I ran into him and we spent a couple of hours catching up. Always a friendly guy, great wit and great sense of humor. So sorry Betsy, Sue and families.*

*I worked, bowled and hunted with Steve. We had many long winded discussions which usually ended in a tie. Steve was a one of a kind man. I will miss him and his stories. Untill we meet again in the happy hunting ground.*
