“ My annual Christmas card was returned today and I went on a hunt and found this. I wanted to tell Susie's children how much joy she brought to my life as a child. (My brother Rob and Mom and Grandma Della all thought the world of her.) We especially loved Susie's disposition; her smile and giggle were infectious! When I was a teenager and having typical hysterics over some boyfriend or another she would tell me that my long legs would take me many places and not to cry... Thank you for sharing Susie with us the years she worked at Mom's (Cecil's) Beauty Shop in Union Pier. We all adored her! I do hope this reaches some of you as I only found it today 12/7/2015 and this happened back in June.
