“ I know this is a stretch but Thomas's brother Stanley Nowlen was married to my Paternal Grandmother, Freeda Eunice (Kettelhut) Nowlen until his death in 1977. I have Stanleys WWI wings (pilot) and some medal and would very much like to return them to his family. Please email me juniebug540@gmail.com if any family members can.

My love and condolences.

“ Todd, Dave and Jennifer.....I am so sorry for your loss. Your Dad was one of those guys who I thought might live forever. I look back so fondly on all those times coming over to the house and was always welcomed so warmly by your dad. I so vividly remember always managing to come by when you were having dinner and I would have a Burger King with me and he would try his hardest to get me to eat one of his infamous casseroles, to which I would decline and he would shake his head in exasperation and laugh. Your house was a place of refuge for me for many years and I really do appreciate your dad's welcome, candor and caring during those times. He did such an amazing job of raising you guys and influencing the rest of us vagabonds. He was a great man and I feel so lucky to have known him. My thoughts and prayers are with you.

“ Thomas Tyrell just recently followed Albert Nowlen (from Brandon, FL) who just passed on September 15. They will both be missed dearly. The last time I had a chance to visit Michigan, Tom and I went to my old (his current) church in Benton Harbor. We travelled all around looking at old houses built and owned by Nowlen family members and had an opportunity to look through many old photos and memorabilia. It was a rewarding visit, and I'm glad I had the chance to spend quality time with Tom. May he rest in peace. He's in good company in heaven and will be welcomed with open arms. Our thoughts and prayers go to his children and grandchildren. May they be blessed to have known him through his short journey on Earth. " Rick and Kathy (Nowlen) Johnson ~ Cocoa Beach, FL
