“ I am so sorry for you and your kids loss. He was a one of a kind man. I know that I had to have met Tom that one time I was in MI when I was around 5 as I spent time with Tina, but at such a young age, I do not remember specific interactions. I do know that my sister loved him, he loved her and they were married when I was 2 months old. Marriages only last that long when 2 people truly love each other.

May you find comfort in knowing that he is able to rest easy, no longer constrained to the physical body of this life on earth, knowing your hisband/dad is now fulfilling his role in Heaven.

Now you and your kids have 2 guardian angels watching over you, and although nothing will ever replace or fill the space of them physically being here with you, I hope having them watch over you and your family will bring you some comfort as you move through the grief process in the coming days, weeks months and years.

Much love for you and your family during this time my friend.
