“ *Uncle Troy (coon) McCarley, I will never forget our trip out west together. I really got to know you more on that trip than ever. I enjoyed working for you at your café in Coloma. I remember the blue Barracuda that I got from you was an awesome car! You will be missed by your wife, children, grandchildren, two brothers, your nieces and nephew. Rest in Peace with all of the others that have passed and are waiting for you. My prayers are with you Peggy and Brain and the rest of the family that was so close to him. “ *Dad,
You taught me so many things. Most of all was how to be a man, a dad, and a Pappy. You will be missed more than you could ever believe. I love you Dad.*

“ *My Paw Paw. I didn't want yesterday to come. I was dreading seeing him. I was dreading saying goodbye. But he looked so peaceful. I left him Saturday while he was sleeping, and there he was still sleeping. I had the best paw paw a girl could ask for. I'll never forget all the stories, making biscuits, sitting on the porch or at the kitchen table just talking for hours. I'll miss that the most. I love this man with my whole heart.*

“ *Peggy,
I am so sorry that Troy passed away, I lost my Wayne on January 28, of this year. It was really great to see Troy when we had the sale at my Dad's house in Coloma.
Wayne really enjoyed visiting with him. But now Wayne and Troy are in a better place.
Not suffering anymore and probably talking about us.
My thoughts and prayers are with you and your family during this difficult time.*
