“ *My condolences. When my mother (Bessie Williams) came from Arkansas back in the late 1950's one of her first friends in Michigan was Viber Redmon. As time went on I was born and came to know Viber as "Aunt Bobbie", a wonderful aunt who would tell it like it is. I hadn't seen Aunt Bobbie for quite a few years; until last spring in Marshall, thank you Carl and Leslie for coming all that way. It was a blessing to me and so much more to my parents Elder Walter Sr. and Bessie Williams.*

So these past few days my parents have been walking a little bit slower because their hearts are heavy; but they are--and we are encouraged by God's promise of rest knowing that Aunt Bobbie is with the Lord! May God comfort the entire family with His peace and His love.
