“ *My sister and I were just talking about Billy the other day and wondering how he was. So sad get this news. Billy was always friendly and helpful in whatever way he could be. I'll always remember how he was so prould of his cars and how he loved to have a muffler that would "rack off". He and his family have been friends of my family for as long as I can remember. My sympathy to Mary and to Sandy and family. Ramona (Clayton, Boone) Tugan*
